Hasnain Zahid

Customer Support / Call Center Representative

Hasnain is a dedicated freelance professional with over a year of client communication experience gained through TikTok monetization consulting and YouTube SEO services. Known for clear communication and a calm, customer-focused approach, he is now looking to bring these skills into a customer support / call center role.

Work experience

Brand Ambassador – PTC Cigarette Project

6 Months

PTC Project

- Represented the project as a brand ambassador and interacted professionally with customers and the public.
- Communicated campaign information clearly while maintaining a professional customer-facing approach.
- Built communication, confidence, teamwork and customer-handling skills through field-based project work.

Customer Support Consultant – TikTok Client Services

May 2025
March 2026

Freelancer, Bahawalpur

- Delivered consistent client satisfaction across 10+ creator accounts through calm communication and clear expectation-setting.
- Advised clients on content strategy tailored to individual goals, actively listening before recommending solutions.
- Maintained a customer-focused communication style under deadline pressure.

Customer Support Consultant – YouTube Client Services

Sep 2025
Jan 2026

Freelancer, Ahmed pur east

- Handled client communications end-to-end, resolving service concerns and questions without escalation.
- Researched keywords and optimized titles, descriptions and tags to improve video discoverability.
- Optimised video metadata to boost organic search reach for key channels.
